

# NEUROLOGY

Viborg , Denmark

## ABOUT THE CITY

Viborg is one of the oldest cities in Denmark, with approx. 91.000 inhabitants. It is famous for its cathedral and as an important sports city in Denmark. It is located less than an hour from Aarhus, the second largest city in Denmark, with an international airport.

## ABOUT THE HOSPITAL

The Neurology Department consists of two functional units. Classical Neurology has main and regional functions in classical neurological diseases and neurorehabilitation. The West Danish Centre for Spinal Cord Injury (WCS) has highly specialised neurorehabilitation of patients with spinal cord injury.

## Main expectations

- The Hospital is looking for a departmental physician with experience and interest in one or more of the classic neurological subspecialties: dementia, epilepsy, headache, sclerosis or neuromuscular.
- The functions of the clinics are carried out by a multidisciplinary team of doctors, nurses, therapists and secretaries.
- You will also be part of a well-functioning specialist medical group, where you will be involved in the various tasks of the department, including ward functions. In addition, emergency and elective clinic duties as well as emergency duty.
- You will be involved in training tasks, including as a supervisor for doctors in training, with the opportunity to attend a supervisor course. In addition, depending on your areas of interest, you may be involved in research projects, quality work or administrative tasks.

## What's expected of you

- To be a neurology specialist interested in one or more of the subspecialties: dementia, epilepsy, headache, sclerosis or neuromuscular.
- To have a proven track record in treating patients with classic neurological diseases.
- To take responsibility for initiating and implementing new treatments.
- To have a good overview of complex care pathways.
- To have a desire to work in an interdisciplinary manner and preferably have experience in the medical management of a multidisciplinary team.
- To be inspired by innovation and new approaches.
- To work independently in performing duties to patients, relatives and colleagues.
- To participate and initiate research.

## Salary and Conditions

- The monthly salary is approx. 5,500 EUR net. Full time (37.5 hour/week).
- The Hospital also offers onboarding program, mentoring scheme and interdisciplinary cooperation in the clinics and in neurorehabilitation.

About Viborg --> [Click here](#)

Facts and information about Denmark --> [Click here](#)

Viborg, a city in central Jutland, Denmark, is the capital of both Viborg municipality and Region Midtjylland. Viborg Municipality is the second-largest Danish municipality.

In the Viborg area, you can find Denmark's perhaps most diverse nature experiences. Viborg is a beautiful old town with everything you could wish for in history, cosiness, shopping, sports and culture. And as if that were not enough, the hinterland is filled with attractions, experiences and some of Denmark's most beautiful scenery, just waiting to be used.
